As this is a self led trip you do not have the back-up of a guide and support van. Our aim is to allow you feel like an independent traveller, free to cycle each day at your own pace while at the same time having the security of knowing that your luggage will be waiting for you in your next accommodation.

If you experience small problems with the bike (e.g., a puncture) you will have a spare tube, pump and tyre lever. You also have access to a 24 hour helpline.
