## KINGS & CASTLES

Group Supported Tour 2017

266/286 km | 8 days/7 nights

This tour takes you through some of the most historic areas in Ireland. From 5000 year old the burial chambers at Newgrange to the mansions built in the Celtic Tiger era!

The route takes you out of Dublin on quiet back roads through the farm lands that feeds the city to the beautiful and historic Boyne Valley. On roads undiscovered by tourists the route heads north through the spectacular Cooley Mountains to the medieval town of Carlingford. Returning to Dublin through the rich pasture lands of Meath and Kildare the route passes the ancient seat of the High Kings of Ireland at Tara.

There is a mixture of hilly and flat roads on this tour. Leaving and approaching Dublin the roads are largely

### TOUR ITINERARY

#### DAY 1 MALAHIDE DUBLIN

The tour starts with an overnight stay in this attractive Dublin village.

#### DAY 2 MALAHIDE TO DROGHEDA

We leave the picturesque seaside village of Malahide following the shores of the swords estuary past flocks of wild birds into the north Dublin market gardens which provide much of the city's vegetables. Keeping to quiet undiscovered roads you return to the coast passing the towns of Laytown and Bettystown before reaching the river Boyne where you turn east and follow it upstream to the historic town of Drogheda which suffered the wrath of Oliver Cromwell in 1649. The town is a bustling place with plenty of bars and restaurants.

34 MILES / 55KM

**DAY 3****DROGHEDA TO ARDEE****22 MILES / 35KM**

Our route is a short one today but you will need to be up early to give some time to view the wonderful historic sites which are within the first 10km. Leaving Drogheda and continuing up stream next to the majestic Boyne Soon after this you come to the historical highlight of the tour, the Newgrange Burial Chamber. This UNESCO World Heritage site is more than a passage tomb. At over 5000 years old its design, construction and astrological complexity defies comprehension. Heading into the pasture lands with views of the Cooley mountains appearing and disappearing as you travel through drumlin country to our accommodation.

**DAY 4****ARDEE TO CARLINGFORD****42 MILES / 67KM**

On pleasant, mostly flat roads through rich dairy lands, our route winds its way north through the busy town of Ardee, visiting sleepy villages. We head on to the Cooley peninsula with its stone walls and forest shaded lanes.

We climb to the Long Woman's grave and descend to the northern side of the peninsula with the spectacular panorama of Carlingford Lough and the Mountains of Mourne sweeping down to the sea (as in the famous song) before you. It is a short ride along the coast to your accommodation in the medieval village of Carlingford.

**DAY 5****REST DAY IN CARLINGFORD**

Carlingford is a wonderful place for a rest day. You will deserve a rest having crossed the ridge the day before. If you are feeling energetic you can hike up on to Slieve Foyle which soars upwards from the village. In the village centre there is an adventure centre which can organise all manner of activities from gentle strolls to high wire, from a quiet paddle in a kayak to abseiling on the mountain. Or you could spend a pleasant day wandering around the villages many historic buildings, punctuating your tour with visits to some of the village's cafes, pubs and restaurants.

**DAY 6****CARLINGFORD TO TRIM****34 MILES / 54KM**

Our day starts with a transfer to Kingscourt, an unselfconscious midland Irish town. From here you head south to the heritage town of Kells or Ceannus Mor as it is known in Irish. It was here that the Book of Kells, a lavishly illustrated handmade copy of the scriptures penned by monks circa 800 ad, was found.

We travel on through rich farmland on mainly flat roads through the Irish (Gaelic) speaking region of Racthcarin returning to the banks of the Boyne at your overnight stop in the town of Trim. Don't miss the largely intact 12th century Trim Castle which has featured in several movies.

**DAY 7****TRIM TO DUBLIN****34 - 47 MILES / 55 - 75KM**

Today's ride is largely flat through stud farms and fertile fields. You leave the Boyne again take in the Hill of Tara a site of historical, mythical and religious significance where 142 kings are said to have ruled from.

Crossing into county Kildare as you approach the valley of the Liffey which runs through the centre of Dublin City. Your final few kilometres are through the Phoenix Park. This is one of the largest city parks in the world. As you ride through you can spot herds of deer within 3km of the city centre. The accommodation tonight is in the city centre so that you have the opportunity to experience the buzz of the vibrant capital city

There are a number of hills on this route but you have all day to do the cycling. You will be provided with a more comprehensive route description and maps at the start of the tour. There is an option each day for a variety of longer routes. With the exception of the roads in and out of Dublin, the traffic on the route should be quite light. You should however cycle carefully at all times, especially when going downhill or during any rain showers.

**2017 TOUR DATES**

June 10

**2017 TOUR PRICE**

- € 775.00 per person sharing
- € 245.00 single occupancy

Tour of Malahide Castle	€7.50		

**Are there facilities to change money?**

There are banks and cashpoint machines in Malahide, Drogheda, Carlingford and Dublin. Credit cards are also widely accepted.

## GROUP, GUIDE AND BACK UP SERVICE

This is not a difficult route however we would recommend that you do try to do some cycling before the tour in order to make your week more enjoyable. Try to get out for a few hours cycling during the weekends coming up to your trip and if possible do it on varied terrain and include some hill climbing.

The group size varies from 10 to 20 people. A guide driving a support van leads each group. She/He will sweep during the day to check on cyclists. In the afternoon they will be gone for about two hours to leave the luggage off at your accommodation, so may not be on hand to give you a lift, but there is no rush and you have all day to complete the ride. As soon as the guide has delivered the luggage to your accommodation they will sweep back to do a final check on cyclists.

Our aim is to allow you feel like an independent traveller, free to cycle each day at your own pace while at the same time having the security of knowing that a support van is nearby just in case you might need it. Most importantly, our guide is there to help in whatever way possible so that all you have to do is leave your worries behind and enjoy the many wonderful experiences that this cycling holiday has to offer.

### What happens if not enough people book on the group tour?

We require at least 8 bookings on the tour to organise a guide to accompany you. On rare occasions we may have to cancel the guide if there are not enough clients booked on, but you have a number of options in this case:

We can still organise the tour on a self guided basis. We still organise all your accommodation, bike rental, your route details, advise you on all the best places to eat and visit and we organise for your luggage to be transferred locally each day. We are also at the end of a phone line in case of any problems, but you head off without a back up guide.

Alternately on most occasions we can offer another guided tour in Ireland for you to join instead.

Or of course we will fully refund you any payments already made if neither solution above works for you.

We don't envisage this happening but always good to be prepared for every scenario!

## BIKE & FITNESS

In 2017 we will be using the **GIANT CITY** bicycles for our tours.

To see the specification for this you can visit the website:

[www.giant-bicycles.com/gb/escape-city](http://www.giant-bicycles.com/gb/escape-city) ( Gents model )

[www.giant-bicycles.com/en-ie/bikes/model/alight.2.city/28581/99470/](http://www.giant-bicycles.com/en-ie/bikes/model/alight.2.city/28581/99470/) ( Ladies model )

Bikes come in different sizes and in gents and ladies style frames.

It is very important you give us your height on booking so that we can allocate the correct bike to you.

## ACCOMMODATION

The accommodation is allocated on a twin-sharing basis. We stay in a mixture of B&Bs and small hotels. The B&B accommodation is a combination of two or three guesthouses in each night stop, where we hope to fuse the best standard we can get with the warmest welcome. We ensure en suite facilities.

We do reserve the right to change the accommodation around during the week, but we will always endeavour to provide a high standard.

### What if someone needs to contact me during the week?

If you have a mobile phone which operates on the GSM 900 system, this will be compatible with the Irish system. Alternatively someone can call our office during the day and we will be able to contact anyone on the tour.

### Looking for extra accommodation at the beginning or end of the tour?

If you are planning to spend a few days in Dublin at the end of the tour, we recommend that you book accommodation well in advance as the capital is very busy on weekends. We do not actually organise accommodation in Dublin there are a huge range of websites offering a reservation service. A good starting place is Dublin Tourism – their website ([www.visitdublin.com](http://www.visitdublin.com)).

## WHAT TO BRING

\*We would seriously recommend that you bring **padded cycling shorts and/ or a gel saddle cover** that will definitely make your day's cycling more comfortable. Cycling gloves are also a good investment. You can also bring your own saddle which we should be able to attach to our bikes.

\*We provide small **pannier bags** (not waterproof) in which you can keep your day-to-day items. Otherwise you may prefer to use a daypack and there are back carriers on each bike for this purpose.

\*We do not provide rain gear so be sure to bring your own light weight **waterproofs**.

\*Although it is not obligatory to wear a helmet we strongly recommend that you wear one. If you own a **bicycle helmet** please bring it, otherwise there will be helmets available in the van.

\*Don't forget **sun cream, sunglasses , sun hat** as well as a bathing suit for that refreshing dip in the Atlantic Ocean.

\*Finally if you wish to use **toe clips** please bring your own pedals with toe clips which can be attached to our bikes (the pedals on our bikes do not accommodate toe clips)

Please make an effort to pack lightly. This will make your travels easier and will be much appreciated by the guide when he/she is carrying your bags up a long flight of stairs to your room! Alternatively if you are travelling for a long time and do have a lot of luggage, maybe you could consider dividing your luggage into two bags, we could leave one in your first night's B&B to collect at the end of the week and the other bag to take with you on the tour.

## GENERAL INFORMATION

### Weather

Because we are an island located near the gulf stream Ireland has a very mild climate making it ideal for cycling. We recommend that you bring your rain gear as well as your sun hat as a day that starts with rain can end with glorious sunshine! The temperature range during the summer is between 15 and 22 degrees centigrade (60 to 72 degrees Fahrenheit)

### Visa requirements

If you hold an EU passport you only need to make sure your passport is valid for the period of your stay. You will need photo identification travelling between Britain and Ireland.

All other nationalities require a passport that is valid for 3 months beyond the intended length of stay. Most nationalities including the USA, Canada, Australia and New Zealand do not require visas for Ireland and receive an automatic 90 day visitor's visa on arrival. If your nationality is not mentioned here you should check with your travel agent or consular office.

### Electrical current/Mobile Phone

The standard electrical supply is 220 volts AC (50 cycles). To use small appliances mainland European visitors may require a plug adaptor to fit our 3-pin flat or 2-pin round wall sockets. The mobile phone system in use is a digital GSM 900 system.

### Websites on Ireland

Some recommended websites on Ireland that might help you organise your trip if you are planning to spend more time in the country before or after your holiday with us.

[www.discoverireland.com](http://www.discoverireland.com) - Irish Tourist Board (Failte Ireland) official website

[www.heritageireland.ie](http://www.heritageireland.ie) info on historical sites

If you plan to spend some extra time in **Dublin**, the following will give you some more ideas of things to see and do:
