RING OF KERRY & DINGLE PENINSULA

SUPPORTED GROUP TOUR 2018

Guide in a support van | 280 km | 8 days/7 nights

This tour offers the most spectacular scenery in the country and is home to Ireland's highest mountain range. Each day presents you with even more stunning scenery as you cycle through majestic mountain ranges and beautiful lakes coloured by the yellow gorse and purple heather that grows everywhere. This is one of our hillier tours, but all effort is greatly rewarded with wonderful scenery and colourful night stops.

TOUR ITINERARY

DAY 1

SATURDAY

KILLARNEY

The group meets up with the guide at 6.30pm in the centre of Killarney Town.

After an introductory talk from the guide, an evening meal is organised in the hotel, while your luggage is transported to our nearby guesthouse(s).

If you get there early you can leave your luggage with the hotel reception and explore this bustling town. If you have time, you could visit Ross Castle, a wonderfully restored 16th Century Norman Tower House overlooking Lough Leane. You can even hire a boat from here and row out to a 6th Century monastic site located on one of the nearby islands. Ross Castle is about 1.5 miles from the town.

DAY 2**SUNDAY****KILLARNEY TO SNEEM****29 miles / 47kms**

The tour starts off by following a cycle track into the beautiful grounds of Muckross House. Located on the grounds is a Franciscan Abbey founded in the 15th Century. It is now in ruins but is beautifully situated with a large yew tree rising up through the cloisters. After a stroll around the celebrated Muckross gardens there follows a wonderful cycle along a quiet cyclepath between two of the Killarney lakes before you return to the main road. A steady climb follows to your lunch stop at Molls Gap where you are rewarded with delicious food in the restaurant with its beautiful views of the surrounding mountains. In the afternoon we cycle to Sneem looking out over panoramic views of the surrounding landscape.

DAY 3**MONDAY****SNEEM TO GLENBEIGH****32 miles / 51 kms**

Avoiding the main Ring of Kerry road you cycle across the peninsula. Passing along quiet country roads with stunning views of the surrounding mountains, we climb up to the beautiful Gap of Ballaghbearna and descend the other side into another valley with views of Carrauntoohil, Ireland's highest mountain.

After lunch there is a wonderful cycle through quiet fields and over old stone bridges before coming to Caragh Lake. Following the lakeside we then head west to the seaside village of Glenbeigh where we spend the night in a comfortable hotel.

**DAY 4****TUESDAY****GLENBEIGH TO DINGLE****30 miles / 47 kms**

We start the day with a short coach trip to Dingle where we are based for two nights. We follow the Sleat Head Route around the tip of the Dingle peninsula. This is one of the highlights of the tour with a wide variety of archaeological sites to visit along the route and some of the most breathtaking coastal scenery in the country.

**DAY 5****WEDNESDAY****REST DAY IN DINGLE**

A variety of activities can be organised from the town. You can join an archaeological bus tour of the peninsula or you can swap your bike saddle for a horse saddle and go horse riding.

There are boat trips to the largest of the Blasket Islands with its wonderful walking trails offering the most magnificent views of Dingle Bay.

You can also take a boat trip to see "Fungi", the Dingle Dolphin or simply potter around the town with its many shops and aquarium. Finally for those with stiff limbs there is also a massage centre in which to pamper yourself

DAY 6**THURSDAY****DINGLE TO KILLORGLIN****43 miles / 69 kms**

The morning starts with a long steady climb up to the Conor Pass with its stunning views of Mount Brandon and the coastline in the distance. There follows a wonderful descent and then a nice flat cycle along the coast to the village of Camp where we stop for lunch. In the afternoon we head straight into the mountains and traverse the peninsula heading up over one side of the mountains to magnificent views of the other side of the peninsula with Dingle Bay and Ireland's highest mountain range stretching out in front of you. We then descend down the other side and cycle the final stretch to our night stop in Killorglin.

DAY 7**FRIDAY****KILLORGLIN TO KILLARNEY****40 miles / 64 kms**

In the morning we cycle on quiet back roads to Kate Kearney's Cottage where we can stop for a cup of tea. We then enter the final highlight of the tour, the Gap of Dungloe, a place you will never forget. Coming out of the gap you have an incredible view looking down the Black Valley before following a small quiet route through a peaceful valley surrounded by green fields full of grazing sheep. We climb out of the valley to return to Molls Gap where we had lunch on the first day. After lunch there is a wonderful freewheel back down to Killarney. That evening we have a final night on the town before heading home the following morning.

Are there facilities to change money?

There are banks in Killarney and Dingle (open Monday – Friday: 10.00am - 4.00pm). Credit cards are also widely accepted. It would be advisable for you to have enough cash for the first three days as we do not see a bank until you get to Dingle.

GROUP, GUIDE AND BACK UP SERVICE

This is not a difficult route however we would recommend that you do try to do some cycling before the tour in order to make your week more enjoyable. Try to get out for a few hours cycling during the weekends coming up to your trip and if possible do it on varied terrain and include some hill climbing.

The group size varies from 10 to 20 people. A guide driving a support van leads each group. She/He will sweep during the day to check on cyclists. In the afternoon they will be gone for about two hours to leave the luggage off at your accommodation, so may not be on hand to give you a lift, but there is no rush and you have all day to complete the ride. As soon as the guide has delivered the luggage to your accommodation they will sweep back to do a final check on cyclists.

Our aim is to allow you feel like an independent traveller, free to cycle each day at your own pace while at the same time having the security of knowing that a support van is nearby just in case you might need it. Most importantly, our guide is there to help in whatever way possible so that all you have to do is leave your worries behind and enjoy the many wonderful experiences that this cycling holiday has to offer.

What happens if not enough people book on the group tour?

We require at least 8 bookings on the tour to organise a guide to accompany you. On rare occasions we may have to cancel the guide if there are not enough clients booked on, but you have a number of options in this case:

We can still organise the tour on a self guided basis. We still organise all your accommodation, bike rental, your route details, advise you on all the best places to eat and visit and we organise for your luggage to be transferred locally each day. We are also at the end of a phone line in case of any problems, but you head off without a back up guide.

Alternately on most occasions we can offer another guided tour in Ireland for you to join instead.

Or of course we will fully refund you any payments already made if neither solution above works for you.

We don't envisage this happening but always good to be prepared for every scenario!

BIKE & FITNESS

In 2018 we will be using the **GIANT CITY** bicycles for our tours.

To see the specification for this you can visit the website:

www.giant-bicycles.com/gb/escape-city (Gents model)

www.giant-bicycles.com/en-ie/bikes/model/alight.2.city/28581/99470/ (Ladies model)

Bikes come in different sizes and in gents and ladies style frames.

It is very important you give us your height on booking so that we can allocate the correct bike to you.

There are a number of hills to climb on this tour so we would recommend that you do try to do some cycling before the tour in order to make your week more enjoyable. Try to get out for a few hours cycling during the weekends coming up to your trip and, if possible, do it on varied terrain and include some hill climbing. But don't forget...our guide is always close by to help out if you have any problems.

You will be provided with a more comprehensive route description and maps at the start of the tour. There is an option each day for a variety of longer routes and will be indicated by the guide. With the exception of the roads in and out of Killarney, the traffic on the route should be quite light. You should however cycle carefully at all times, especially when going downhill or during any rain showers.

WHAT TO BRING

*We would seriously recommend that you bring **padded cycling shorts and / or a gel saddle cover** that will definitely make your day's cycling more comfortable. Cycling gloves are also a good investment. You can also bring your own saddle which we should be able to attach to our bikes

*We provide small **pannier bags** (not waterproof) in which you can keep your day-to-day items. Otherwise you may prefer to use a daypack and there are back carriers on each bike for this purpose.

*We do not provide **rain gear** so be sure to bring your own light weight waterproofs.

*Although it is not obligatory to wear a helmet we strongly recommend that you wear one. If you own **a bicycle helmet** please bring it, otherwise there will be helmets available in the van.

*Don't forget **sun cream, sunglasses, sun hat** as well as a bathing suit for that refreshing dip in the Atlantic Ocean.

*Our rental bikes don't have **lights** - no problem on the long summer evenings, but if you are travelling in May or September, please bring your own light or high-visibility vest.

*Finally if you wish to use **toe clips** please bring your own pedals with toe clips which we can attach to our bikes (the pedals on our bikes do not accommodate toe clips)

Please make an effort to pack lightly. This will make your travels easier and will be much appreciated by the guide when he/she is carrying your bags up a long flight of stairs to your room! Alternatively if you are travelling for a long time and do have a lot of luggage, maybe you could consider dividing your luggage into two bags, we could leave one in your first nights B&B to collect at the end of the week and the other bag to take with you on the tour.

ACCOMMODATION

The accommodation is allocated on a twin-sharing basis. We stay in a mixture of B&Bs and small hotels. The B&B accommodation is a combination of two or three guesthouses in each night stop, where we hope to fuse the best standard we can get with the warmest welcome. We ensure en suite facilities.

We do reserve the right to change the accommodation around during the week, but we will always endeavour to provide a high standard.

What if someone needs to contact me during the week?

If you have a mobile phone which operates on the GSM 900 system, this will be compatible with the Irish system. Alternatively someone can call our office during the day and we will be able to contact anyone on the tour.

Looking for extra accommodation at the beginning or end of the tour?

We would be happy to help you organise extra accommodation in Killarney for the start or the end of the week. If you would prefer to organise it yourself please see the websites below. If you are planning to spend a few days in Dublin at the end of the tour, we recommend that you book accommodation well in advance as the capital is very busy on weekends. We do not actually organise accommodation in Dublin there are a huge range of websites offering a reservation service. A good starting place is Dublin Tourism – their website (www.visitdublin.com).

Weather

Because we are an island located near the Gulf Stream Ireland has a very mild climate making it ideal for cycling. We recommend that you bring your rain gear as well as your sun hat as a day that starts with rain can end with glorious sunshine! The temperature range during the summer is between 15 and 22 degrees centigrade (60 to 72 degrees Fahrenheit)

Visa requirements

If you hold an EU passport you only need to make sure your passport is valid for the period of your stay. All other nationalities require a passport that is valid for 3 months beyond the intended length of stay. Most nationalities including the USA, Canada, Australia and New Zealand do not require visas for Ireland and receive an automatic 90 day visitor's visa on arrival. If your nationality is not mentioned here you should check with your travel agent or consular office.

Electrical current/Mobile Phone

The standard electrical supply is 220 volts AC (50 cycles). To use small appliances mainland European visitors may require a plug adaptor to fit our 3-pin flat or 2-pin round wall sockets. The mobile phone system in use is a digital GSM 900 system.
