CONNEMARA, GALWAY & MAYO SELF GUIDED 4 NIGHT TOUR 2020

This tour explores the beautiful region of Connemara famous for its rugged granite landscape as well as its beautiful lakes and rivers. The route offers an incredible variety of scenery each day. In the morning you can be cycling along beautiful coastline while in the afternoon you could be on a quiet bog road with stunning views of the surrounding mountains.

The roads are all tarmac and the route is designed to ensure that you spend most of the week on quiet back roads, away from the main tourist routes. The emphasis of our cycling holidays is to give you the freedom to fully enjoy Connemara and its beautiful landscape at your own pace. You can be an independent traveller, genuinely experiencing all the sights and sounds of hidden Ireland on routes most tourists never get to see, while in the evenings over a delicious meal you can experience the lovely atmosphere in the Irish pubs and restaurants.

The tour includes transfers in and out of Galway city into the heart of Connemara so that you can see the Best the West has to offer in a short time period...

WHAT TO BRING

*We would seriously recommend that you bring **padded cycling shorts and / or a gel saddle cover** that will definitely make your day's cycling more comfortable. Cycling gloves are also a good investment. You can also bring your own saddle which we should be able to attach to our bikes.

*We provide small **pannier bags** (not waterproof) in which you can keep your day-to-day items. Otherwise you may prefer to use a daypack and there are back carriers on each bike for this purpose.

*We do not provide **rain gear** so be sure to bring your own light weight waterproofs.

*Don't forget **sun cream, sunglasses, sun hat** as well as a bathing suit for that refreshing dip in the Atlantic Ocean.

*Our rental bikes don't have **lights** – no problem on the long summer evenings, but if you are travelling in May or September, please bring your own light or high-visibility vest.

*Finally if you wish to use **toe clips** please bring your own pedals with toe clips which we can attach to our bikes (the pedals on our bikes do not accommodate toe clips)

BIKE

In 2020 we will be using the **GIANT CITY** bicycles for our tours.

To see the specification for this you can visit the website:

www.giant-bicycles.com/gb/escape-city (Gents model)

www.giant-bicycles.com/en-ie/bikes/model/alight.2.city/28581/99470/ (Ladies model)

Bikes come in different sizes and in gents and ladies style frames.

It is very important you give us your height on booking so that we can allocate the correct bike to you.

BACK UP SERVICE

As this is a self led trip you do not have the back-up of a guide and support van. Our aim is to allow you feel like an independent traveller, free to cycle each day at your own pace while at the same time having the security of knowing that your luggage will be waiting for you in your next accommodation.

If for any reason you are unable to cycle please contact our Dublin office (+353 1 2600749) so we can liaise with the luggage transfers to organise the transfer of bike(s) and person(s). Please note that you will be charged for any additional runs made on your behalf. Our bikes are serviced after each tour so they should be humming perfectly! If you experience small problems with the bike (i.e., a puncture) you will have a spare tube, pump and tyre lever. You can of course phone our office if you experience any major problems (+353 1 2600749) . You will also be given a mobile number when you arrive in Ireland that you can contact 24 hours a day in case of any emergencies en route.

GENERAL INFORMATION

Weather

Because we are an island located near the gulf stream Ireland has a very mild climate making it ideal for cycling. We recommend that you bring your rain gear as well as your sun hat as a day that starts with rain can end with glorious sunshine! The temperature range during the summer is between 15 and 22 degrees centigrade (60 to 72 degrees Fahrenheit)

Visa requirements

If you hold an EU passport you only need to make sure your passport is valid for the period of your stay. All other nationalities require a passport that is valid for 3 months beyond the intended length of stay. Most nationalities including the USA, Canada, Australia and New Zealand do not require visas for Ireland and receive an automatic 90 day visitor's visa on arrival. If your nationality is not mentioned here you should check with your travel agent or consular office.

Electrical current/Mobile Phone

The standard electrical supply is 220 volts AC (50 cycles). To use small appliances mainland European visitors may require a plug adaptor to fit our 3-pin flat or 2-pin round wall sockets. The mobile phone system in use is a digital GSM 900 system.

We do reserve the right to change the accommodation around during the week, but we will always endeavour to provide a high standard.

Looking for extra accommodation at the beginning or end of the tour?

We would be happy to help you organise extra accommodation outside of Dublin for the start or the end of the week. If you would prefer to organise it yourself please see the websites below. If you are planning to spend a few days in Dublin at the end of the tour, we recommend that you book accommodation well in advance as the capital is very busy on weekends. We do not actually organise accommodation in Dublin there are a huge range of websites offering a reservation service. A good starting place is Dublin Tourism – their website (www.visitdublin.com); www.booking.com is also a good website if you need extra accommodation in Dublin.
