

Cycling Safaris

CONNEMARA, GALWAY & MAYO

Set departure date tours 2021

265km | 8 days/7 nights

This tour explores the beautiful region of Connemara famous for its rugged granite landscape as well as its beautiful lakes and rivers. The route offers an incredible variety of scenery each day. In the morning you can be cycling along beautiful coastline while in the afternoon you could be on a quiet bog road with stunning views of the surrounding mountains.

The roads are all tarmac and the route is designed to ensure that you spend most of the week on quiet back roads, away from the main tourist routes. The emphasis of our cycling holidays is to give you the freedom to fully enjoy Connemara and its beautiful landscape at your own pace whilst having the security of knowing there is support in the background if you might ever need it. During the day you can be an independent traveller, genuinely experiencing all the sights and sounds of hidden Ireland on routes most tourists never get to see, while in the evening over a delicious meal you can share your days experience with a group of like-minded people from all over the world.

TOUR ITINERARY

Meeting at 6pm in the centre of Galway city followed by a short transfer to the village of Clonbur where we have dinner and stay overnight.

One month before tour departure we will advise you if we have reached the minimum number of 8 pax to provide you with a guide. And we will send you further details about the meeting point.

If we haven't reached the minimum number to run this as supported tour, you will receive the tour information in your first nights accommodation and commence the cycling tour without a guide in support van the next morning.

DAY 2 SUNDAY

CLOMBUR TO WESTPORT

38 miles / 60 kms

We head north along the quiet back roads through rolling green fields full of grazing sheep, before descending down to Lough Mask and a wonderful cycle along the shores of the lake.

In the afternoon we follow the scenic coast road to Clifden where you can watch cars travel across the beach to Omev Island only accessible when the tide is out! Clifden, the capital of Connemara, where we spend the next two nights is a pretty and bustling town of art galleries, cafes, pubs and restaurants established 200 years ago at the whim of John D'Arcy

35 miles / 58 kms

DAY 7 FRIDAY ARAN ISLANDS TO GALWAY

The day can then be spent touring the unique landscape of the island with its wealth of ancient stone forts and monastic sights.

GROUP, GUIDE AND BACK UP SERVICE

If there are under 8 clients booked on our set departure date you do not have the back-up of a guide and support van. Our aim is to allow you feel like an independent traveller, free to cycle each day at your own pace while at the same time having the security of knowing that your luggage will be waiting for you in your next accommodation.

If for any reason you are unable to cycle please contact our Dublin office (+353 1 2600749) so we can liaise with the luggage transfers to organise the transfer of bike(s) and person(s). Please note that you will be charged for any additional runs made on your behalf.

If we reach a minimum of 8 people on our set departure dates, we provide a guide in a support van.

Our bikes are serviced after each tour so they should be humming perfectly! If you experience small problems with the bike (i.e., a puncture) you will have a spare tube, pump and tyre lever. You can of course phone our office if you experience any major problems (+353 1 2600749).

On a self guided basis we also organize accommodation, bike rental, your route details, advise you on all the best places to eat and visit and we organise for your luggage to be transferred locally each day. We are also at the end of a phone line in case of any problems, but you head off without a back up guide.

BIKE

In 2021 we will be using **Merida Crossway Urban 20-D** bicycles for our tours. They will be equipped with mudguards and back carrier. Helmets are also available upon request/

To see the specification for this you can visit the website:

<https://www.merida-bikes.com/en-au/bike/157/crossway-urban-20-d>

Bikes come in different sizes and in gents and ladies style frames.

It is very important you give us your height on booking so that we can allocate the correct bike to you.

WHAT TO BRING

*We would seriously recommend that you bring **padded cycling shorts and / or a gel saddle cover** that will definitely make your day's cycling more comfortable. Cycling gloves are also a good investment. You can also bring your own saddle which we should be able to attach to our bikes.

*We provide small **pannier bags** (not waterproof) in which you can keep your day-to-day items. Otherwise you may prefer to use a daypack and there are back carriers on each bike for this purpose.

*We do not provide **rain gear** so be sure to bring your own light weight waterproofs.

*Although it is not obligatory to wear a helmet we strongly recommend that you wear one. If you own a **bicycle helmet** please bring it.

*Don't forget **sun cream, sunglasses, sun hat** as well as a bathing suit for that refreshing dip in the Atlantic Ocean.

*Our rental bikes don't have **lights** – no problem on the long summer evenings, but if you are travelling in May or September, please bring your own light or high-visibility vest.

*Finally if you wish to use **toe clips** please bring your own pedals with toe clips which we can attach to our bikes (the pedals on our bikes do not accommodate toe clips)

Please make an effort to pack lightly. This will make your travels easier and will be much appreciated by the guide when he/she is carrying your bags up a long flight of stairs to your room! Alternatively if you are travelling for a long time and do have a lot of luggage, maybe you could consider dividing your luggage into two bags, we could leave one in your first nights B&B to collect at the end of the week and the other bag to take with you on the tour.

GENERAL INFORMATION

Weather

Because we are an island located near the gulf stream Ireland has a very mild climate making it ideal for cycling. We recommend that you bring your rain gear as well as your sun hat as a day that starts with rain can end with glorious sunshine! The temperature range during the summer is between 15 and 22 degrees centigrade (60 to 72 degrees Fahrenheit)

Visa requirements

If you hold an EU passport you only need to make sure your passport is valid for the period of your stay.

All other nationalities require a passport that is valid for 3 months beyond the intended length of stay. Most nationalities including the USA, Canada, Australia and New Zealand do not require visas for Ireland and receive an automatic 90 day visitor's visa on arrival. If your nationality is not mentioned here you should check with your travel agent or consular office.

Electrical current/Mobile Phone

The standard electrical supply is 220 volts AC (50 cycles). To use small appliances mainland European visitors may require a plug adaptor to fit our 3-pin flat or 2-pin round wall sockets. The mobile phone system in use is a digital GSM 900 system.

ACCOMMODATION

The accommodation is allocated on a twin-sharing basis.

We stay in a mixture of B&Bs (in Galway & Westport) and small hotels (in Clonbur, Leenane, Clifden & Aran Islands). The B&B accommodation is a combination of two or three guesthouses in each night stop, where we hope to fuse the best standard we can get with the warmest welcome and of course ensure suite facilities.

We do reserve the right to change the accommodation around during the week, but we will always provide a high standard.
