

Cycling Safaris

RING OF KERRY Self-Guided Short Tour 2021 162 km | 4 nights

As with our week long tour in Kerry, this route offers the most spectacular scenery in the country and is home to Ireland's highest mountain range. Each day presents you with even more stunning scenery as you cycle through majestic mountain ranges and beautiful lakes coloured by the yellow gorse and purple heather that grows everywhere. This is one of our hillier tours, but all effort is greatly rewarded with wonderful scenery and colourful night stops.

TOUR ITINERARY

DAY 1

ARRIVE IN KILLARNEY

On arrival in Killarney you should make your way to your accommodation. If you get there early the rooms in the B&Bs will not usually be ready till midday so you can leave your luggage at the guesthouse and explore this bustling town.

If you have time you could visit Ross Castle a wonderfully restored 16th Century Norman Tower House overlooking Lough Leane. You can even hire a boat from here and row out to a 6th Century monastic site located on one of the nearby islands. Ross Castle is about 1.5 miles from the town.

DAY 2

KILLARNEY TO SNEEM

29 miles / 47kms

The tour starts off by following a cycle track into the beautiful grounds of Muckross House. Located on the grounds is a Franciscan Abbey founded in the 15th Century. It is now in ruins but is beautifully situated with a large yew tree rising up through the cloisters. After a stroll around the celebrated Muckross gardens there follows a wonderful cycle along a quiet cyclepath between two of the Killarney lakes before you return to the main road.

A steady climb follows to your lunch stop at Molls Gap where you are rewarded with delicious food in the restaurant with its beautiful views of the surrounding mountains. In the afternoon you cycle to Sneem looking out over panoramic views of the surrounding landscape.

DAY 3

SNEEM TO GLENBEIGH

32 miles / 51 kms

Avoiding the main Ring of Kerry road you cycle across the peninsula. Passing along quiet country roads with stunning views of the surrounding mountains, you climb up to the beautiful Gap of Ballaghbearna and descend the other side into another valley with views of Carrauntoohil, Ireland's highest mountain.

After lunch there is a wonderful cycle through quiet fields and over old stone bridges before coming to Caragh Lake.

Following the lakeside you then head west to the seaside village of Glenbeigh where you spend the night in a comfortable hotel.

DAY 4

GLENBEIGH TO KILLARNEY

40 miles / 64 kms

Our first destination is Kate Kearney's Cottage where you can stop for a cup of tea. You then enter the final highlight of the tour, the Gap of Dungloe a place you will never forget. Coming out of the gap you have an incredible view looking down the Black Valley before following a small quiet route through a peaceful valley surrounded by green fields full of grazing sheep.

You climb out of the valley to return to Molls Gap where you had lunch on the first day. After lunch there is a wonderful freewheel back down to Killarney for our last night of the tour.

DAY 5

DEPARTURE

After breakfast you will check out and are finished the tour

All breakfasts are included in the tour price. Clients buy their own lunches and dinner throughout the trip. You should budget between €10 and €15 for lunch each day. An evening meal each night costs somewhere between €20 and €30.

Are there facilities to change money?

There are banks in Killarney (open Monday - Friday: 10.00am - 4.00pm). Credit cards are also widely accepted. Travellers cheques are accepted in banks and post offices. It would be advisable for you to have enough cash for the trip as you there are no banks in Sneem or Glenbeigh

BACK UP SERVICE

As this is a self led trip you do not have the back-up of a guide and support van. Our aim is to allow you feel like an independent traveller, free to cycle each day at your own pace while at the same time having the security of knowing that your luggage will be waiting for you in your next accommodation.

If for any reason you are unable to cycle please contact our Dublin office (+353 1 2600749) so we can liaise with the luggage transfers to organise the transfer of bike(s) and person(s). Please note that you will be charged for any additional runs made on your behalf.

Our bikes are serviced after each tour so they should be humming perfectly! If you experience small problems with the bike (i.e., a puncture) you will have a spare tube, pump and tyre lever. You can of course phone our office if you experience any major problems (+353 1 2600749).

WHAT TO BRING

*We would seriously recommend that you bring **padded cycling shorts and / or a gel saddle cover** which will definitely make your days cycling more comfortable. Cycling gloves are also a good investment. You can also bring your own saddle which should be possible to attach to our bikes.

*We provide small **pannier bags** (not waterproof) in which you can keep your day-to-day items. Otherwise you may prefer to use a daypack and there are back carriers on each bike for this purpose.

*We do not provide **rain gear** so be sure to bring your own light weight waterproofs.

*Don't forget **sun cream, sunglasses, sun hat** as well as a bathing suit for that refreshing dip in the Atlantic Ocean.

*Our rental bikes don't have **lights** - no problem on the long summer evenings, but if you are travelling in May or September, please bring your own light or high-visibility vest.

*Finally if you wish to use **toe clips** please bring your own pedals with toe clips (and spanner) which you can attach to our bikes (the pedals on our bikes do not accommodate toe clips).

BIKE & FITNESS

In 2021 we will be using Trek bicycles for our tours starting in Killarney.

Bikes come in different sizes and in gents and ladies style frames. It is important you give us your height on booking so that we can allocate the correct bike to you.

There are a number of hills to climb on this tour so we would recommend that you do try to do some cycling before the tour in order to make your trip more enjoyable. Try to get out for a few hours cycling during the weekends coming up to your trip and, if possible, do it on varied terrain and include some hill climbing.

ACCOMMODATION

The accommodation is allocated on a twin sharing basis. We stay in a mixture of B&Bs and small hotels, where we hope to fuse the best standard we can get with the warmest welcome. We ensure en suite facilities almost all of the time however in some of the more remote spots one might occasionally have to share a bathroom.

We do reserve the right to change the accommodation around during the tour, but we will always provide a high standard.

What happens if I am delayed on the first night?

Please contact the guesthouse to let them know if you are arriving late.

What if someone needs to contact me during the tour?

If you have a mobile phone which operates on the GSM 900 system, this will be compatible with the Irish system. We will send you a full list of where you are staying on the tour before departure.

Looking for extra accommodation at the beginning or end of the tour?

We would be happy to help you organise extra accommodation in Killarney at the start or the end of the week.

Weather

Because we are an island located near the gulf stream Ireland has a very mild climate making it ideal for cycling. We recommend that you bring your rain gear as well as your sun hat as a day that starts with rain can end with glorious sunshine! The temperature range during the summer is between 15 and 22 degrees centigrade (60 to 72 degrees Fahrenheit)

Visa requirements

If you hold an EU passport you only need to make sure your passport is valid for the period of your stay. All other nationalities require a passport that is valid for 3 months beyond the intended length of stay. Most nationalities including the USA, Canada, Australia and New Zealand do not require visas for Ireland and receive an automatic 90 day visitor's visa on arrival. If your nationality is not mentioned here you should check with your travel agent or consular office.

Electrical current/Mobile Phone

The standard electrical supply is 220 volts AC (50 cycles). To use small appliances mainland European visitors may require a plug adaptor to fit our 3-pin flat or 2-pin round wall sockets. The mobile phone system in use is a digital GSM 900 system.
