WEST MAYO

Including the Greenway Cycle from Achill to Westport
self guided tours and set departure date tours 2020

315 km | 8 days/7 nights

The Mayo Tour is the quietest of our routes in terms of traffic and offers up a wild windswept landscape full of changing light. This area has a rich archaeological past – you visit the Ceide Fields – the oldest known field systems in the world. It is also the country of Grace O'Malley (Granuaile), a famous female pirate in the 16th Century whose ships attacked fleets all along the coastline and you visit one of her fortress houses. You spend your rest day on Achill Island with its wonderful mountains and white sandy beaches as well as its breathtaking cliff walks. Finally you stop at a wonderful early Christian monastic site situated in a most peaceful setting, before heading back to Westport and the less mystical real world!

The roads are all tarmaced and the route is designed to ensure that you spend most of the week on quiet backroads, away from the main tourist routes. The emphasis of our cycling holidays is to give you the freedom to fully enjoy Mayo and its beautiful landscape at your own pace whilst having the security of knowing that your luggage will be waiting for you at each accommodation. Although the mileage on this tour might seem longer than on other routes the terrain is more forgiving as there are very few climbs.

TOUR ITINERARY

DAY 1

WESTPORT

On arrival in Westport you should make your way to your accommodation after 2.00pm. If you get there early the rooms in the B&Bs will not usually be ready till midday so you can leave your luggage at the guesthouse and explore this bustling town.

Your bikes will be waiting for you in your guesthouse. We will send you on a copy of your accommodation and contact details closer to the tour start. Your route details and maps will be waiting for you in your guesthouse.

DAY 2**WESTPORT TO FOXFORD****36.5 miles / 59 kms**

Leaving the town on the Castlebar Road, after a mile you turn onto the Western Way walking route.

The route takes you along quiet backroads passing by lakes and bog land to our lunch stop. After lunch there is some nice lakeside cycling around Lough Conn and then onto Lough Cullin, which brings you to our Hotel in Foxford.

**DAY 3****FOXFORD TO BALLYCASTLE****34 miles / 55 kms**

You start the day by visiting the historic Woollen Mills in Foxford after which you head out on back roads to follow along the eastern shore of Lough Conn before stopping for lunch in a pub.

In the afternoon you again follow quiet roads to Ballycastle.

DAY 4**BALLYCASTLE TO BELMULLET****40 miles / 64 kms**

Heading west on the coast road with wonderful views looking out over the Atlantic, you come to the Ceide Fields, site of an ancient 5000-year-old field system.

It is the largest Stone Age site in Europe and there is an excellent interpretive centre here that outlines the history of the site. Continuing on from the centre there is a dramatic cycle across open bogland with more wonderful coastal views all the way to the town of Belmullet.

**DAY 5****BELMULLET TO ACHILL****50 miles / 80 kms**

Today, the cycle is around the Atlantic Coast through a wild barren landscape, past freshly cut fields of peat, to the village of Mulranney and from there cycle onto Achill Island and the night stop.

DAY 6

REST DAY IN ACHILL

There are several dramatic cycling routes around Achill, the most impressive being the Atlantic Drive, with its wonderful coastal views and beautiful landscape.

You can also head to Keem bay for a swim on its white sandy beach. For those feeling energetic you could climb to the top of the nearby cliffs some of the highest in Europe, where you are rewarded with the most breathtaking views of the week.

DAY 7

Greenway Cycle - ACHILL TO WESTPORT 35 miles / 56.5kms

Leaving the Island via the bridge at Achill sound, we continue on the World Class Great Western Greenway (www.greenway.ie). This is a 43.5km traffic free cycling and walking facility which primarily follows the line of the famous Great Western Midlands Railway, which closed in 1937. Its development has been made possible by agreement of local landowners who have allowed permissive access to users to pass through their lands.

This route offers gentle gradients and some of the most idyllic scenery in the west of Ireland. The route forms part of the National Cycle Network and it is the longest dedicated cycling path in the Country!

2020 TOUR DATES

Are there facilities to change money?

There are banks and cash machines in Westport, Foxford and Belmullet. Credit cards are widely accepted. Probably best to have the cash you need for the week organised at the beginning of the tour

WHAT TO BRING

*We would seriously recommend that you bring **padded cycling shorts and / or a gel saddle cover** that will definitely make your day's cycling more comfortable. Cycling gloves are also a good investment. You can also bring your own saddle which we should be able to attach to our bikes

*We provide small **pannier bags** (not waterproof) in which you can keep your day-to-day items. Otherwise you may prefer to use a daypack and there are back carriers on each bike for this purpose.

*We do not provide **rain gear** so be sure to bring your own light weight waterproofs.

*Although it is not obligatory to wear a **helmet** we strongly recommend that you wear one. We don't provide helmets on the self guided tour.

*Don't forget **sun cream, sunglasses , sun hat** as well as a bathing suit for that refreshing dip in the Atlantic Ocean.

*Our rental bikes don't have **lights** - no problem on the long summer evenings, but if you are travelling in May or September, please bring your own light or high-visibility vest.

*Finally if you wish to use **toe clips** please bring your own pedals with toe clips, which can be attached to our bikes (the pedals on our bikes do not accommodate toe clips).

In 2020 we will be using the **GIANT CITY** bicycles for our tours.

To see the specification for this you can visit the website:

www.giant-bicycles.com/gb/escape-city (Gents model)

www.giant-bicycles.com/en-ie/bikes/model/alight.2.city/28581/99470/ (Ladies model)

Bikes come in different sizes and in gents and ladies style frames.

It is very important you give us your height on booking so that we can allocate the correct bike to you.

We would recommend that you do some cycling before the tour in order to make your week more enjoyable, if possible do it on varied terrain and include some hill climbing.

ACCOMMODATION

The accommodation is allocated on a twin-sharing basis. We stay in a mixture of B&Bs and small hotels, where we hope to fuse the best standard we can get with the warmest welcome. We ensure en suite facilities.

We do reserve the right to change the accommodation around during the week, but we will always endeavour to provide a high standard.

What if someone needs to contact me during the week?

If you have a mobile phone which operates on the GSM 900 system, this will be compatible with the Irish system. Alternatively someone can call our office during the day and we will be able to contact anyone on the tour.

Looking for extra accommodation at the beginning or end of the tour?

We would be happy to help you organise extra accommodation in Westport for the start or the end of the week. If you would prefer to organise it yourself please see the websites below. If you are planning to spend a few days in Dublin at the end of the tour, we recommend that you book accommodation well in advance as the capital is very busy on weekends. We do not actually organise accommodation in Dublin but there are a huge range of websites offering a reservation service. A good starting place is Dublin Tourism (www.visitdublin.com).

BACK UP SERVICE

As this is a self led trip you do not have the back-up of a guide and support van. Our aim is to allow you feel like an independent traveller, free to cycle each day at your own pace while at the same time having the security of knowing that your luggage will be waiting for you in your next accommodation.

If for any reason you are unable to cycle please contact our Dublin office (+353 1 2600749) so we can liaise with the luggage transfers to organise the transfer of bike(s) and person(s). Please note that you will be charged for any additional runs made on your behalf.

If we reach a minimum of 8 people on our set departure dates, we provide a guide in a support van.

Our bikes are serviced after each tour so they should be humming perfectly! If you experience small problems with the bike (i.e., a puncture) you will have a spare tube, pump and tyre lever. You can of course phone our office if you experience any major problems (+353 1 2600749).

GENERAL INFORMATION

Weather

Because we are an island located near the gulf stream Ireland has a very mild climate making it ideal for cycling. We recommend that you bring your rain gear as well as your sun hat as a day that starts with rain can end with glorious sunshine! The temperature range during the summer is between 15 and 22 degrees centigrade (60 to 72 degrees Fahrenheit)

Visa requirements

If you hold an EU passport you only need to make sure your passport is valid for the period of your stay. You will need photo identification travelling between Britain and Ireland.

All other nationalities require a passport that is valid for 3 months beyond the intended length of stay. Most nationalities including the USA, Canada, Australia and New Zealand do not require visas for Ireland and receive an automatic 90 day visitor's visa on arrival. If your nationality is not mentioned here you should check with your travel agent or consular office.

Electrical current/Mobile Phone

The standard electrical supply is 220 volts AC (50 cycles). To use small appliances mainland European visitors may require a plug adaptor to fit our 3-pin flat or 2-pin round wall sockets. The mobile phone system in use is a digital GSM 900 system.
