#### **BIKE & FITNESS**

Bike rental is not included in the basic tour price In 2025 we will be renting **Giant or Kross** bicycles for our tours in Clare, helmets are included.

Bikes come in different sizes and in gents and ladies style frames.

It is very important you give us your height on booking so that we can allocate the correct bike to you.

This is a not a difficult route however there are some hill climbs (particularly on the first day) so we would recommend that you do try to do some cycling before the tour in order to make your week more enjoyable. Try to get out for a few hours cycling during the weekends coming up to your trip and, if possible, do it on varied terrain and include some hill climbing. But don't forget...our guide is always close by if you have any problems.

With the exception of the roads in and out of Ennis, the traffic on the route should be quite light. You should however cycle carefully at all times, especially when going downhill or during any rain showers.
