Umbria - The Easy Way 2024

Self guided

212 km | 7 nights / 8 days

Umbria is the green heart of Italy, the cradle of mysticism due to being the home and stomping ground of numerous saints. A mellow landscape where the delicate profiles of rolling hills, valleys, vines and olive trees, are dispersed between hilltop towns. A medieval aura still pervades Perugia, as in Orvieto, Spello, Spoleto and Todi, where the secrets of the past continue to live on in the present, in the magnificent synthesis of history, countryside and art forming the fabric of the region. Its typically earthy cuisine is enhanced by one of the most sought-after olive oils and famous, high-quality wines.

This is a tour through rolling countryside, featuring the best Umbria can offer. Not to miss the main hill towns you will be obliged to take on a few short climbs! We have chosen Terontola as an arrival point because it is an important railway station with easy connections to the whole of Europe.

TOUR ITINERARY

DAY 1
