## Slovenia – Emerald Route

### Self Guided tour 2024

243 - 270 km | 8 days / 7 nights

Slovenia was formerly part of Yugoslavia, gaining Independence in 1992. A relatively small country in terms of size and population (just two million) it has a very varied geography. To the north it is bordered by Austria, to the west by Italy, to the south by Croatia and to the east by Hungary. Culturally, these neighbours have exerted influences over the Slovenian peoples as it has changed hands between them, from the Roman Empire through to the Austro-Hungarian Empire and also being behind the Iron Curtain. The geography of the country almost seems to reflect these influences too, with the North West predominantly Alpine, the South West Mediterranean and the East low lying plains.

The stunning beauty of the country is certainly a good reason to come and visit, but for many, the friendliness of the Slovenians would be reason enough in itself. Many speak impeccable English (as well as other languages) and are delighted to share their country with foreign visitors.

#### TOUR ITINERARY

##### **Day 1**      **ARRIVAL TO LJUBLJANA**

##### **Accommodation in 4\* hotel.**

Once settled in to your hotel, you will visit the historic old town and marvel at the ornate, old-world architecture and lovely “fin de siecle” mansions.

Then it's a short walk or ride up to the mighty Ljubljana Castle, perched high on a hill and standing guard over the old town and city center. From its tower you get a commanding view of Ljubljana's heart and soul.

As the sun goes down you can choose between relaxing with a drink in the many outdoor bars/cafes beside the Ljubljanica River, or take an evening stroll, enjoying the lights and vibrant sounds of the city and its charismatic people.

**Day 2 LJUBLJANA - VRHNIKA****39 km, ↑220m ↓230m**

**A nice easy first day across the historic and richly diverse plains surrounding the capital.**

As the morning sun begins to rise high in the sky, you will be cycling across an immense 160-square kilometer marshy plain. The Ljubljansko Barje was once a great lake until it dried up 6000 years ago, leaving an incredibly diverse landscape behind, that is now home to some of Europe's rarest forms of bird, plant and insect life. Along the way you can take a short walk into the picturesque Iški Vintgar gorge nature reserve, carved deep into a stunning limestone dolomite plateau, and visit the remnants of the world's highest railway viaduct in Borovnica. Just before arriving in Vrhnika, you can visit the Technical Museum of the Republic of Slovenia housed in Bistra Castle, where you'll find a great hunting collection and an interesting exhibition of Tito's cars.

**Day 3 VRHNIKA - POSTOJNA****34 km / 44 km with a detour ↑590m ↓350m**

**Hilly day, side roads. A slightly more demanding day over gentle hills, forest roads and a typical Carst polje (field). Accommodation in 4\* hotel.**

On this day the roads will take you away from the main tourist routes and off the beaten track. You can stop for a picnic lunch in the Rakov Škocjan nature reserve, where the Rak River has carved out a stunning gorge containing some of nature's most incredible landscape formations, including two natural bridges. So far nearly 30 million tourists have visited this stunningly beautiful underground Postojna cave formation. This is the most extensive cave system in Slovenia, covering a total of 21 kilometres.

**Day 4 POSTOJNA - ŠTANJEL/KODRETI****42 km/ 48 km with a detour ↑410m ↓790m**

**Hilly, one long descend some hills afterward. Accommodation in 3\* guesthouse.**

Nearly 30 million tourists have visited this stunningly beautiful underground Postojna cave formation, carved deep into the heart of the limestone hills. This is the most extensive cave system in Slovenia, covering a total of 21 kilometers. The 1½ hour tour will take you through a fairytale world full of large and colorful stalactites and stalagmites, not forgetting the unique "human fish", a mysterious creature that lives in dark pools inside the caves.

You can also take a short detour to the impenetrable fortress of Predjama castle, wedged tight into a crevasse halfway up a 123-meter cliff-face protruding dramatically into the surrounding basin. Here lived a vivacious and daring knight. Erasmus kept a whole army at bay by utilizing the secret of the Predjama Caves to sneak out for supplies, which included freshly picked cherries which he used to throw at his adversaries to taunt them

**Day 5 ŠTANJEL - LIPICA - DIVAČA****48 km, ↑630m ↓370m**

**Rolling terrain with flat sections. Accommodation in 3\* hotel.**

First stop is at the lovely botanical garden in Sežana, then it's on to the stud farm of Lipica, where you can visit these beautiful thoroughbred Lipizaner horses whose glistening white coats and gentle, graceful dancing have earned them a worldwide reputation. The history of the Lipica horses is closely linked to the Vienna riding school. Take a tour in a traditional carriage, watch them perform and visit them close up in their stables. This will be a day to remember. If you have the time for a couple of side-trips, you can also visit the unusual but very interesting "War Museum" set in the village tower of Lokev.

**Day 6 DIVAČA - MUGGIA****38 km, ↑280m ↓700m**

**Initially rolling terrain, then a long downhill. Accommodation in 3\* hotel.**

Postojna Caves, you can visit Karst Škocjan Caves this morning – listed as UNESCO natural monument. You can take a slight diversion into the Italian town of Trieste – once an important port of Slovenia (whilst under the rule of Austrian monarchy) with its worldly flair and wonderful atmosphere. Visit the castle, cathedral, Piazza Unita central square and relax with a cappuccino in one of many old-fashioned cafes.

The day trip ends in Muggia – south of Trieste. After days of cycling it is time to enjoy a gelato in old centre of town or relax on one of the beaches.

### Day 7 MUGGIA - PIRAN

37 km/48 km with a detour ↑320m ↓330m

**Easy waterfront trip. Accommodation in 4\* hotel.**

The main access point is to fly into Ljubljana (the capital).

The national airline is Adria Airways and it has a number of direct flights to major European cities including London (Gatwick), Manchester and Dublin (depart Dublin Friday Nights/returning Saturdays only). For more information check ([www.adria-airways.com](http://www.adria-airways.com)).

Easyjet fly daily into Ljubljana from Stansted ([www.easyjet.com](http://www.easyjet.com))

There are also many alternatives connections through other European hubs such as Frankfurt, Paris, Prague and Budapest with most of the major European Flag Carriers.

Ryanair ([www.ryanair.com](http://www.ryanair.com)) fly to Trieste on the Italian side of the border where again you can take a train to and from Ljubljana. The airport is actually called Ronchi and is some 30km outside the city, which is actually closer to Gorizia (which is one of the trains stopping points).
