Slovenia – Emerald Route

Self-Guided tour 2026

243 - 270 km | 8 days / 7 nights

Slovenia was formerly part of Yugoslavia, gaining Independence in 1992. A relatively small country in terms of size and population (just two million) it has a very varied geography. To the north it is bordered by Austria, to the west by Italy, to the south by Croatia and to the east by Hungary. Culturally, these neighbours have exerted influences over the Slovenian peoples as it has changed hands between them, from the Roman Empire through to the Austro-Hungarian Empire and being behind the Iron Curtain. The geography of the country almost seems to reflect these influences too, with the Northwest predominantly Alpine, the South West Mediterranean and the East low lying plains.

The stunning beauty of the country is certainly a good reason to come and visit, but for many, the friendliness of the Slovenians would be reason enough in itself. Many speak impeccable English (as well as other languages) and are delighted to share their country with foreign visitors.

TOUR ITINERARY

Day 1 ARRIVAL TO LJUBLJANA

Your journey begins in the Slovenian capital of Ljubljana. After settling into your hotel, take a stroll through the old town center with its beautiful bourgeois houses from the late 19th century, take a funicular ride to the city castle, or relax in a café by the Ljubljanica River that winds through the city.

Day 2 **LJUBLJANA - VRHNIKA** **41 km, ↑150m ↓160m**

A nice easy first day across the historic and richly diverse plains surrounding the capital.

As the morning sun begins to rise high in the sky, you will be cycling across an immense 160-square kilometer marshy plain. The Ljubljansko Barje was once a great lake until it dried up 6000 years ago, leaving an incredibly diverse landscape behind, that is now home to some of Europe's rarest forms of bird, plant and insect life. Along the way you can take a short walk into the picturesque Iški Vintgar gorge nature reserve, carved deep into a stunning limestone dolomite plateau, and visit the remnants of the world's highest railway viaduct in Borovnica. Just before arriving in Vrhnika, you can visit the Technical Museum of the Republic of Slovenia housed in Bistra Castle, where you'll find a great hunting collection and an interesting exhibition of Tito's cars. (Accommodation in 4* hotel)

Day 3 **VRHNIKA - POSTOJNA** **43 km ↑760m ↓510m**

On this day the roads will take you away from the main tourist routes and off the beaten track.

You can also take a short detour to the impenetrable fortress of Predjama castle, wedged tight into a crevasse halfway up a 123-meter cliff-face protruding dramatically into the surrounding basin. Here lived a vivacious and daring knight. Erasmus kept a whole army at bay by utilizing the secret of the Predjama Caves to sneak out for supplies, which included freshly picked cherries which he used to throw at his adversaries to taunt them. Take the tour and learn how Erasmus met his untimely demise in less than poetic circumstances, as he was literally caught with his pants down. (Accommodation in 4* hotel)

Day 4 **POSTOJNA - ŠTANJEL AREA** **32 km ↑ 240m ↓630m**

Hilly, one long descend some hills afterward

So far nearly 30 million tourists have visited this stunningly beautiful underground Postojna cave formation, carved deep into the heart of the limestone hills. This is the most extensive cave system in Slovenia, covering a total of 21 kilometers. The 1 ½ hour tour will take you through a fairy tale world full of large and colorful stalactites and stalagmites, not forgetting the unique "human fish", a mysterious creature that lives in dark pools inside the caves. In the afternoon you head to first vineyards of Vipava region (Accommodation in 3* guesthouse)

Day 5 **ŠTANJEL - LIPICA - DIVAČA** **50 km, ↑630m ↓360m**

Rolling terrain with flat sections

First stop is at the lovely botanical garden in Sežana, then it's on to stud farm of Lipica, where you can visit these beautiful thoroughbred Lipizaner horses whose glistening white coats and gentle, graceful dancing have earned them a worldwide reputation. The history of the Lipica horses is closely linked to the Vienna riding school. Take a tour in a traditional carriage, watch them perform and visit them close up in their stables. This will be a day to remember. If you have the time for a couple of side-trips, you can also visit the unusual but very interesting "War Museum" set in the village tower of Lokev. (Accommodation in 3* hotel)

Day 6 **DIVAČA - MUGGIA** **38 km, ↑280 m ↓700m**

If you missed Postojna Caves, don't worry - this morning, you have the chance to explore the Skocjan Caves, a UNESCO-listed natural monument known for their stunning beauty and tranquility. Next, head to Socerb Castle, where you'll be treated to breathtaking views of Trieste. After a day of cycling, unwind with a delicious gelato in the town's historic center or relax in one of its inviting beaches. If you arrive early,

considerer a quick bus or boat trip into Trieste, a vibrant Italian city renowned for its rich history, cosmopolitan vibe and captivating atmosphere (Accommodation in seafront hotel 4*)

Day 7 MUGGIA - PIRAN

35 km/46 km with a side trip ↑230m ↓240m
