EMPORDA WINE TOUR (Food, Wine & Bike) Self Guided Tour 2026 230 - 259km | 8 days / 7 nights

This tour covers the Empordà inland and coast, a fascinating and diverse countryside with a long and independent history. Overlooking the sea, encircled by mountains that transform throughout the seasons as riders cross the region of Empordà, a Spanish Designation of Origin (DO) (Denominació d'Origen in Catalan), for wines produced in the northeastern corner of Catalonia. The list of wine producers that make up this dynamic sector in Empordà today is endless. You are invited to visit the best wine cellars and will discover all kinds of wineries of different origin. The traditional cuisine and the prestigious modern gastronomy complete the experience.

The first part of the route focuses on the magnificent area of Baix Empordà, also known as the Catalan Tuscany for its beautiful countryside between the Sea and the mountains. In the second part of the tour riders have the opportunity to discover the northern county Alt Empordà with its long sandy beach next to the important Greek-Roman ruins of Empúries and numerous wineries of all sizes. The bike route ends in Figueres, famous for the **Theatre-Museum Dalí**. The wineries, are well-recognised in international publications such as the guide by Robert Parker , some of them with 90 points .

Day 1 Arrive in Girona

There is plenty to see and do in this magic historical city. Spend the day visiting the Cathedral, which has the broadest single nave of Gothic architecture in the world and getting lost through the narrow streets of the ancient Jewish quarter, one of the best preserved in the world.
