Self Guided Tour
170km/105 mi | 7 nights / 8 days

It was in Passau that Sisi began her journey along the Danube as a young bride to Vienna, where she was eagerly awaited by her Emperor Franz. Follow in the footsteps of the Austrian empress by bicycle and on a nostalgia ship as you discover breathtakingly beautiful river scenery with small sleepy villages, castles and palaces set in gorgeous countryside and enjoy warm Austrian hospitality at every stage of your cycling tour. The region is a gourmand's paradise and famous for its cakes, pastries and other irresistible culinary treats. After Wiener Schnitzel, Sachertorte and apricot dumplings it'll be much easier to burn up the miles... Wines from the UNESCO World Cultural Heritage Landscape Wachau enjoy an international reputation, Linz, the capital of Upper Austria is home to the biggest church in Austria. And then there's Vienna... Enchanting, charming and perhaps slightly eccentric, the City of Waltz will capture your heart in an instant. Magnificent buildings from the imperial age bear witness to the impressive history of times gone by.

Highlights:

- Passau, the Bavarian city of 3 rivers
- The "Great Loop Schlögener Donau Schlinge"
- Cultural capital Linz
- The World Cultural Heritage Site Wachau
- The cosmopolitan city of Vienna with plenty of sights

Tipping

On cruise ships gratuities will be collected at the end of the cruise in a box at the reception. This form of giving a tip is useful to credit all crewmembers. A noncommittal directive would be approx. € 5,- to 6,- per person and day. The cruise director is not included in this system. If you have been satisfied with his work during the week – there will be a tip box available directly at the cruise director's desk.

Riverboats are limited in size (length, height, width) (bridge passages, locks) and therefore cannot be compared with ocean-going vessels. The cabins offer more limited space than hotel rooms, but are also comfortably equipped. On the one hand, a riverboat is a "vacation hotel", but on the other hand it is also a piece of working equipment that moves with engine power and has to be operated constantly (also at night, partly with lock and bridge passages and the resulting retraction and extension of the superstructures).

Unfortunately, disruptions during the lock passages cannot be avoided. During berthing times, visibility may be restricted (other ships, harbour walls).

The cabins are limited in space but are nevertheless comfortable and furnished. In the event of extremely high or low water, the shipping company reserves the right to bridge stages by bus or even to cancel the trip at short notice without any legal claim arising therefrom (water levels are force majeure).

The same applies for officially decreed repairs to locks or bridges, not announced in advance, or in the event of motor or propulsion damage to the ship without attributed fault.

BIKE AND FITNESS

21-gear ladies bikes come as standard bikes with 28" wheels in frame sizes 46 / 51 / 56 cm .

For men taller than 186 cm we offer men frames.

Our bicycles are equipped with:

- 1 good sized waterproofed pannier bag,
- 1 handlebar bag, repair kit, air pump, lock

Electric bikes, children's bikes, specialized equipment for children upon request

Helmet rental is €20 and need to be pre-booked.

Tour profile:

The cycle path is completely flat, at times on a gentle downhill slope and is ideal for bikers with less experience and children. The tour is rated easy on mostly flat terrain.

WHAT TO BRING

We would recommend that you bring padded cycling shorts and / or a gel saddle cover which will make your days cycling more comfortable. Cycling gloves are also a good investment, as are hard-sole shoes which will help protect your feet. **You can rent a helmet for €20. This needs to be pre-booked.** And don't forget raingear

including a rain jacket, rain pants and slip-on boots. A hat and sunglasses will protect you from getting too much sun and, in the evening, mosquito repellent should ensure a good night's sleep. Finally, please try to pack lightly.
