The bike tours lead you to the romantic „Great Loop“ (Schlögenger Donauschlinge), the picturesque Danube Bend with Hungary’s largest cathedral and the legendary Wachau valley, which is part of the UNESCO World Heritage with its small villages, beautiful palaces and castles.

On board the two premium cruise ships, you can expect an exclusive atmosphere. Look forward to spacious and comfortable cabins, stylish outdoor areas, and a varied onboard program. Indulge in culinary delights and enjoy the service on board.

## TOUR ITINERARY

### **Day 1 (Sun) Passau / surroundings**

Boarding time from 4pm – 5pm. Located at the meeting point of the Danube, Inn and Ilz Rivers, Passau has numerous interesting sites to visit. Use your free time and stroll through the cobblestoned old town centre, listen to the bells of Passau's Gothic Town Hall or have a look at the world's largest Catholic Church organ in the Passau Cathedral. Then it's time to cast off! Slowly, the dreamlike backdrop of Passau's old town disappears on the horizon.

### **Day 2 (Mon) Great Loop/Engelhartszell – Branstatt (approx. 43 km by bicycle)**

Your first day's cycling begins with a ride through the classic scenery of the 'Great Loop' Donauschlinge - one of the most beautiful sections of the Danube. Along the way you will visit tiny villages and cosy cider taverns. In Austria's only Trappist monastery at Engelhartszell you can taste their delicious liquors and cheese. The famous 'Schlogener View' provides a wonderful panorama of the surrounding Austrian countryside. The boat welcomes all cyclists back on board in the charming market town of Branstatt.

### **Day 3 (Tues) Devin – Bratislava (approx. 45 km by bicycle)**

You pedal along the former 'Iron Curtain', cross the green line and reach the imposing Imperial Palace of Hof with its beautifully terraced gardens. Follow the bike path through Austria's 'vegetable garden' to the coronation city of Bratislava and the slopes of the Little Carpathians and discover the hidden alleyways and sights of Bratislava on an optional city tour.

### **Day 4 (Wed) Budapest / Excursion to Szentendre (approx. 45 km by bicycle or Rest day)**

The entrance to Budapest, Hungary's capital, is stunning. Savour the beauty of Budapest during a coach tour or a guided bike tour (optional) to discover many of the highlights of this handsome city. You can also choose to cycle to the charming town of Szentendre with its Mediterranean atmosphere and lively art scene. In the evening it is definitely worth visiting the Jewish Quarter.

### **Day 5 (Thur) Danube Bend – Esztergom (approx. 50 km by bicycle)**

Steep mountain slopes frame the picturesque, gently rolling landscape of the "Hungarian Wachau." At the farmer's market in Vác, you can stock up on regional specialties, while history, folklore, and Hungarian joy of life accompany you during your bike tour to Esztergom, where the mighty Basilica (Hungary's largest church) towers high above the castle district into the sky.

### **Day 6 (Fri) Vienna (rest day)**

Discover Vienna's most beautiful attractions. During a city tour by bike or bus (optional) you will experience Vienna's most famous examples of architecture: the imperial Hofburg, St. Stephens Cathedral, the gorgeous 'Ring'-boulevard and the State Opera House, the Burgtheater and town hall and, of course, the colorful "Hundertwasserhaus". Take time to relax in one or more of Vienna's famous cafés, while the evening ends impressively at a classical concert (optional) in one of Vienna's most famous palaces.

### **Day 7 (Sat) Wachau / Krems – Melk / Pöchlarn (approx. 37 – 45 km by bicycle)**

Your last biking day is a special highlight! A powerful ruin looms above the small Baroque town of Durnstein, while the blue spire of the monastery church is a landmark of the renowned Wachau. Amidst dreamy towns, apricot trees, vineyards and castles, this hilly landscape enchants everybody who visits. Traditional wine taverns along the bike path invite to savour local wines (wine tasting optional). The Benedictine Abbey of Melk, perched on a hill, overlooking the Danube, is a true architectural marvel.

### **Day 8 (Sun) Passau / surrounding (Disembarkation)**

As you cruise back up the Danube enjoy the early morning sunshine as you wind your way to Passau / surroundings, where you will disembark at approx. 11am. Connecting travel should be booked for 12pm onwards.

*We reserve the right to make changes to the itinerary, depending on wind and weather conditions or organizational requirements. In case of flood or low tide the shipping company reserves the right to bridge parts of passages with buses. In extreme case the shipping company reserves the right to cancel the journey on short notice. No legal right shall be constituted of both situations. (Water level is force majeure). The same applies for officially ordered – previously not announced – repair work on locks or bridges or in case of undeserved breakdown of engine and power unit. Please be aware that your ship, like all other ships on the Danube, is not only your hotel but also a machine, working with engine power also during night. Especially crossing locks and bridges – and the preparation work – might cause noises. If you are sensitive to noises please bring your own earplugs*

All countries have access to a local GSM 900 mobile telephone network that you can log into if your phone is GSM compatible.

## Tipping

On cruise ships gratuities will be collected at the end of the cruise in a box at the reception. This form of giving a tip is useful to credit all crewmembers. A noncommittal directive would be approx. € 5,- to 6,- per person and day. The cruise director is not included in this system. If you have been satisfied with his work during the week – there will be a tip box available directly at the cruise director's desk.

We believe that only children in a good physical condition and of a minimum age of 10 and previous bicycle tour experience are able to master the bike-tours on their own strength. Please note that the minimum height for a rental bike is 1,40 m (4.6 ft.)

## WHAT TO BRING

We would recommend that you bring padded cycling shorts and / or a gel saddle cover which will make your days cycling more comfortable. Cycling gloves are also a good investment, as are hard-sole shoes which will help protect your feet. **You can bring your own helmet or pre-book a rental helmet for €15.** And don't forget raingear including a rain jacket, rain pants and slip-on boots. A hat and sunglasses will protect you from getting all much sun and, in the evening, mosquito repellent should ensure a good night's sleep. Finally, please make an effort to pack lightly. This will make your travels easier and will be much appreciated with the luggage transfers.

## Requirements:

The bike routes require a basic level of fitness, which you should have acquired by occasional or daily cycling. The routes can reach an altitude of 100 – 300 meters. The daily routes, of 15-50 km (9 to 30 mi.), cover hilly terrain and can be completed without time constraints. You will also come across some rather steep climbs, where walking your bike is of course permitted. The roads are mostly asphalted and there is little traffic outside of holiday periods. You can decide every day for yourself, whether you would like to cycle individually, using the maps provided, or join one of the tour guides (or individual participants). Bike helmets are required on all cycle tours. Bike helmets are available on board in limited number (reservation requested).

## TRAVEL INFORMATION

It is possible to book a transfer from Munich city centre to Passau: €360 (one way, 1 – 8 people)  
or from Munich Airport to Passau: €310 (one way, 1 – 8 people)

### Flying to Passau

- **Munich Airport (MUC)**

The closest airport to Passau is Munich Airport (München Flughafen / MUC) with its huge number of cheap flights to mostly German and European destinations.

Passau is around 160 km (100 miles) from Munich Airport. Driving time is around 90 minutes. From the airport, take Autobahn A92 towards Deggendorf and turn southeast onto Autobahn A3 when reaching the Danube.

Public transportation is slightly more complicated. From the airport, take bus 635 to Freising (18 minutes). Direct trains run from Freising to Passau every two hours. Alternatives require transfers in either Plattling or Regensburg. Total journey time varies from 2h20 to three hours.

- **Frankfurt International Airport (FRA)**

Many international, and especially intercontinental, passengers will enter Germany at Frankfurt International Airport (FRA). It will often be both faster and cheaper to take the ICE train from Frankfurt to Passau rather than taking a connection flight to Munich. Many direct trains are available with more options requiring an easy transfer at Frankfurt Hauptbahnhof. Total journey time is just over four hours.

The following websites will help you with train connections between Vienna and Passau.

### High-Speed Inter-City-Express Trains to Passau

Passau is on the high-speed railway line that links Frankfurt am Main and Vienna. Luxury, high-speed Inter-City Express (ICE) trains run on this route roughly every two hours.

The ICE trains to Frankfurt am Main Hauptbahnhof (Main Station) take around four hours and stop en route in Plattling (30 minutes), Regensburg (1h), Nürnberg / Nuremberg (2h), and Würzburg (3h). Many trains continue to Frankfurt International Airport and on to Cologne (Köln) and further destinations.

From Passau to Vienna on the ICE train is three hours with a stop en route in Linz (1h10).

- Passau station (Bahnhof) is at the edge of the old town in Donaustadt. From the station to the heart of the old town is an easy fifteen-minute walk through pleasant shopping streets.
- 

### **Regional Trains to Passau**

Many regional trains also pass through Passau. Although slower than the ICE, regional trains can be significantly cheaper and on short distances, the time differences can be negligible. In addition, discount tickets such as the Bayern Ticket and Schönes-Wochenende-Ticket may be used on regional trains only.

The regional trains are available amongst others to Plattling (36 min) and Regensburg (1h40). Only regional trains are available to München / Munich (2h15) and run mostly every two hours – more frequent connections require transfers at either Plattling or Regensburg.

German discount tickets are not valid on regional trains into Austria but the slower trains are cheaper than the ICE. Regional trains run to Linz (90 min to 2h) and Vienna (5h).
