Passau to Vienna (Danube Cycle Path) 2026

Self-Guided Tour

325 – 340 km | 8 days | 7 nights

Travel along the blue Danube as the Romans, European Kings and Emperors did in former times and experience the beauty and historic importance of the thousand-year-old trade route. Cycling along the cool and clear water of the Danube you can enjoy one of the most beautiful bike paths in Europe.

Start your journey in the baroque city Schärding or in the three-rivers-city Passau or in Grein and cycle through the several areas of Upper and Lower Austria until you reach the wonderful Danube metropolis, Vienna. You will be fascinated by the breath-taking Danube loop, from the Danube valley and the wonderful landscapes of Machland, Strudengau and well-known Wachau. Furthermore this region offers several traditional culinary of Austrian delicacies including numerous dumpling specialties and tasty wines.

This route is ideal for a cycling holiday for the whole family. The path along the river Danube is almost flat or slightly descending, with almost 100% on dedicated cycle paths without any motor traffic. There are only very short parts on quiet minor roads. Simply a masterpiece of a bicycle tour, as it should be!

Day 1: Arrival to Schärding/Passau

Stroll through the baroque city Schärding and visit the “Silberzeile” or take a walk through the “New Centre” of Passau, the town of three rivers, which has been completely redesigned as a pedestrian, car-free area.

Day 2: Schärding/Passau – Schlögener Schlinge approx. 40 - 55 km

A trip that takes you along river Inn to the three-rivers-city Passau. We recommend a short city tour here, where you can visit the Dome (hosting the biggest organ in the world). Your cycle takes you along the Danube via Obernzell to the monastery at Engelhartzell. The Danube, Europe’s second largest river, has to make a 180° bend here which you can enjoy during your ferry tour to the other side of the river

Day 3: Schlögener Schlinge (river bend) surroundings – Linz approx. 50 km

Today you cycle via Aschach, Ottensheim and Wilhering to the upper Austrian capital city Linz with it’s numerous in the historic old city. Another highlight of this city is the wonderful view from mountain Pöstlingsberg or a stroll along Donaulände.

Day 4: Linz – Grein/surroundings approx. 55 km

Today you leave the Danube to cycle to St. Florian (abbey) and Enns. In Enns you can visit a market square with a city tower (height of 60m), which is the emblem of the oldest city in Austria or you visit the archaeological collection in the city museum Lauriacum. Afterwards you continue again along the river to reach the wonderful baroque city of Grein where you can visit the oldest city theatre in Austria. Furthermore you can visit the navy museum or Greinburg.

Day 5: Grein/surroundings – Wachau approx. 50-60 km

This part of the Danube was dreaded in former times as it was hard to pass by boat, but you can cycle this section in a very relaxed way!. In Maria Taferl you can visit a wonderful pilgrims church where thousands of pilgrims visit yearly.

Day 6: Wachau – Krems / Traismauer / Tulln approx. 40-75 km

In Melk a visit to the Abbey is a must, after which you cycle through the Wachau region where you can enjoy the beauty of fruit orchards and vineyards en route. The cycle passes Spitz, Weißenkirchen and the ruins of Dürnstein before you reach Krems, a thousand-year-old city and Tulln. Of course you have to taste the typical wine, therefore we have organised a wine tasting for you.

Day 7: Krems / Traismauer / Tulln – Vienna approx. 45-75 km

Our destination is the magnificent city of Vienna, where you can enjoy all the numerous amenities of this great city. Visit a typical Viennese café and try a piece of Sachertorte. WHAT TO BRING

We would recommend that you bring padded cycling shorts and / or a gel saddle cover which will make your days cycling more comfortable. Cycling gloves are also a good investment, as are hard-sole shoes which will help protect your feet. **Please bring your own helmet as these are not provided.** And don't forget raingear including a rain jacket, rain pants and slip-on boots. A hat and sunglasses will protect you from getting all much sun and, in the evening, mosquito repellent should ensure a good night's sleep. Finally, please make an effort to pack lightly. This will make your travels easier and will be much appreciated with the luggage transfers.

BACK UP SERVICE

TRAVEL INFORMATION

Flying to Passau

- **Munich Airport (MUC)**

The closest airport to Passau is Munich Airport (München Flughafen / MUC) with its huge number of cheap flights to mostly German and European destinations.

Passau is around 160 km (100 miles) from Munich Airport. Driving time is around 90 minutes. From the airport, take Autobahn A92 towards Deggendorf and turn southeast onto Autobahn A3 when reaching the Danube.

Public transportation is slightly more complicated. From the airport, take bus 635 to Freising (18 minutes). Direct trains run from Freising to Passau every two hours. Alternatives require transfers in either Plattling or Regensburg. Total journey time varies from 2h20 to three hours.

- **Frankfurt International Airport (FRA)**

Many international, and especially intercontinental, passengers will enter Germany at Frankfurt International Airport (FRA). It will often be both faster and cheaper to take the ICE train from Frankfurt to Passau rather than taking a connection flight to Munich. Many direct trains are available with more options requiring an easy transfer at Frankfurt Hauptbahnhof. Total journey time is just over four hours.

The following websites will help you with train connections between Vienna and Passau.

High-Speed Inter-City-Express Trains to Passau

Passau is on the high-speed railway line that links Frankfurt am Main and Vienna. Luxury, high-speed Inter-City Express (ICE) trains run on this route roughly every two hours.

The ICE trains to Frankfurt am Main Hauptbahnhof (Main Station) take around four hours and stop en route in Plattling (30 minutes), Regensburg (1h), Nürnberg / Nuremberg (2h), and Würzburg (3h). Many trains continue to Frankfurt International Airport and on to Cologne (Köln) and further destinations.

From Passau to Vienna on the ICE train is three hours with a stop en route in Linz (1h10).

- Passau train station is at the edge of the old town in Donaustadt. From the station to the heart of the old town is an easy fifteen-minute walk through pleasant shopping streets.

Regional Trains to Passau

Many regional trains also pass through Passau. Although slower than the ICE, regional trains can be significantly cheaper and on short distances, the time differences can be negligible. In addition, discount tickets such as the Bayern Ticket and Schönes-Wochenende-Ticket may be used on regional trains only.

The regional trains are available amongst others to Plattling (36 min) and Regensburg (1h40). Only regional trains are available to München / Munich (2h15) and run mostly every two hours – more frequent connections require transfers at either Plattling or Regensburg.

German discount tickets are not valid on regional trains into Austria but the slower trains are cheaper than the ICE. Regional trains run to Linz (90 min to 2h) and Vienna (5h).

Daily return transfer by bus from Vienna at the end of the tour – pick up at the hotel between 3 – 3.30pm, duration approx. 3,5 – 4 hours. Approx cost per person - €95. If you bring your own bike its an additional €40. Reservation necessary, payable in advance.
