Cycling Cruise - Highlights of Istria Peninsula

Guided or Self-Guided Tour

Guide cycling with group | 224 km/139 mi | 7 nights / 8 days

"The green heart of Europe" is what the Istrians call their peninsula, inspired by its shape and its position at the crossroads of European arteries, cultures and nations. This is where Central Europe and the world of Mediterranean meet. On this one week tour we explore the most popular part of the Croatian coast.

Fall in love with the Adriatic Sea on this tour!. Relax while being on a romantic motor sailor - your floating home. Get on your bicycle after breakfast, enjoy your lunch break ashore or on board, when meeting our ship in one of the pretty harbours. In the evening our ship awaits us in the next harbour. Enjoy the outstanding cuisine aboard while watching the sunset or stroll around historical harbour towns before going to sleep under the stars... either on deck or in your cabin.

The itinerary of the Istria Highlights tour is the same as the itinerary of the Istria Highlights PLUS tour, making the PLUS tour on board the Deluxe ship a great alternative should you have difficulties finding availability on this trip.

New from 2025: On this trip, we offer you the option of either joining your guides on the cycle tours or completing the cycle routes individually at your own pace using the free RideWithGPS route app for your smartphone as well as GPS tracks and maps.

TOUR ITINERARY

DAY 1 (Fri) Omisalj (Embarkation) - Cres

Individual arrival to Omišalj, a charming pirate's nest on the island of Krk. If you decide to arrive by car, we can gladly organize a secure parking space for your car for the week. If you are arriving from Zagreb, we can also arrange a transfer for you to the harbor of Omišalj. Check-in on board is possible from around 2pm. Once we have made ourselves comfortable in our cabins, we enjoy the first crossing to Cres. Our destination is the island capital of the same name, where we spend the night. The Venetian-influenced old town of Cres, with its beautiful alleys and many churches, entices you to take an extensive evening stroll.

DAY 2 (Sat) Cres - Pula (approx. 17 mi/ 28 km by bike)

In the morning we enjoy our breakfast on board with a pleasant morning cruise to Pula. In the afternoon we explore some picturesque places in and around Pula. Via Galizana we go to Vodnjan and further through the fishing village Fazana before coming back to Pula where we can take part on an inspiring guided city tour before enjoying our evening exploring the town further at our leisure. The night is spent in Pula.

Day 3 (Sun) Pula - Vrsar (approx. 25 mi/40 km by bike)

In the morning we enjoy our breakfast on board with another pleasant morning cruise this time to Vrsar. It is in Vrsar that the heartbreaker Casanova is believed to have sought temporary refuge from the husbands of his lovers. From here we cycle along the Limski Canal to Kloštar in the rural hinterland to our destination of Poreč. The town has a lively vibe with its long promenade and shopping streets. A visit to the famous Euphrasius Basilica with its magnificent early Christian mosaics is worth a visit and there is also plenty of time to go for a swim and relax in the afternoon. The night is spent in Porec.

Day 4 (Mon) Poreč - Novigrad (approx. 36 mi/59 km by bike)

In the morning we follow the "Parenzana", an abandoned railroad line, which leads us to the famous artists' village of Groznanj. The picturesque artists' village is a medieval jewel in the Istrian hinterland. It awaits us with romantic alleys, flower-filled squares and diverse galleries that have made their home in old natural stone houses. In the afternoon, we bike through rural Istria via Buje to Novigrad, where we can enjoy the evening and spend the night.

Day 5 (Tue) Rovinj (aprx. 12 mi/20 km)

In the morning, during breakfast, the boat takes us to Rovinj, the starting point of today's cycle tour. You leave the town and follow an old railroad line to the Lim Canal. Near the town, the vast green wilderness of the local park is the perfect backdrop for an optional extension to the cycle tour past picturesque bays where you can stop for a refreshing swim. After a pleasant morning on your bikes and on the beach, you return to the ship and in the afternoon, accompanied by a knowledgeable guide, you have plenty of time to discover the secrets of the town of Rovinj, often called the "Pearl of Istria".

Day 6 (Wed) Rovinj - Fažana - Rabac (aprx. 20 mi/32 km)

Our morning bike ride takes us near the coast, mostly on natural forest paths to Fažana, with its quaint little harbor and promenade lined with colorful houses. We board the boat and enjoy a cruise along the coast to Rabac. Here, located on a picturesque bay on the east coast of Istria, we can enjoy gorgeous white pebble beaches, crystal clear waters and a beautiful harbor. Not to be missed is an evening cocktail in a local bar.

Day 7 (Thu) Rabac - Njivice - Omišalj (aprx. 26 mi/43 km)

In the early morning, we cross to the island of Krk, where a final cycling stage awaits us. The route will lead us from Njivice to Omišalj. The largest island in Croatia and home of the delicious Zlahtina white wine impresses with its diverse landscapes. Don't miss the opportunity to cover yourself in the mineral rich mud in the bay of Soline - it will not only leave you looking ten years younger, but also makes for a wonderful holiday memory! Back in the harbor of Omišalj, our boat awaits us with a delicious last evening meal on board which can be spent in great cheer in the company of the fellow travelers, crew and guides.

Day 8 (Fri) Omisalj (Disembarkation)

After breakfast disembarkation until 9 am and individual trip home or extended stay in Croatia.

Itinerary changes

We reserve the right to make changes to the planned itinerary due to changing wind and weather conditions as well as organizational requirements.

Requirements Bike Level 1-2

Easy to medium cycle tours through hilly terrain for island hoppers with a good basic level of fitness (20-60 km and 200-1000m elevation gain per day). Many of the roads used are asphalted. However, 30% of the route is also on forest and gravel paths. This tour is primarily designed as a guided group tour. After prior consultation with our tour guides and selection of a suitable route, nothing stands in the way of individual cycling. During the daily program briefings, your tour guides will explain everything you need to know about the next day's stage. If you prefer to cycle alone rather than with a group, you can cycle the tour independently and at your own pace. For orientation, we provide you with access to the free RideWithGPS route app for your smartphone, a detailed cycle map and GPS tracks. Your guides cycle the same route as you. They are therefore close by and can be contacted by phone in case of emergencies, problems or questions. Instead of a bike tour, you can also opt for a half or full day of swimming on the boat.
